Hi Matthew,

This is what we were discussing the other day. Constituent in Hollywood asking for trash can(s) on the BID boundary at Yucca.

Ideally, if two could be placed at these locations, that would be swell:

- SE corner of Yucca/Cherokee
- NW corner of Yucca/Whitley

Please let me know what's possible. Thanks!!!

Thanks Dan!

The can on the SE Corner of Yucca and Cherokee was the green mesh type.

If we got a Hollywood trash can on the NW Corner of Yucca & Whitley that would be amazing.

Chris,

You're too kind! Happy to help. I requested a trash can at Yucca/Whitley from the BID (whose trash cans you liked, and whose territory extends north to Yucca) and they were amenable to the request. I am waiting on an update.

Do you happen to remember what style/material the trash can at Yucca/Cherokee was?

Thanks!

Thanks Dan, that's fantastic! Any news on the trash cans for Whitley Avenue? The one on Yucca and Cherokee disappeared!

They placed one in front of the Motel 6 but we need some north of yucca there's no place to responsibly dispose of your trash again the residence on the corner of Whitley and Franklin put their own plastic trashcan chained to a tree. I know we can do better thanks so much for all your hard work!!!

I started a new show and we're prepping for the next episode so I'm pretty busy but I will definitely make a time I think you so much and I'm going to write a letter to Mitch about your hard work on our behalf 🙌🙌🙌🏆🏆

Hi Chris,

Great news! Your dog poop dispenser has arrived. As we discussed, I can give this to you for its installation on private property (accessible to public property).

It is a dispenser plus a supply of bags (I believe 1000 bags).

Could you please let me know what your schedule is like so we can arrange a time for me to drop this off?

Thanks!

Hi Dan!

We placed a trash can at the SE corner of Yucca/Cherokee (photo attached). I'm told we used to have a trash can there, but it was removed because tenants of the nearby apartment building were using it to dispose of their personal trash. We'll have to keep an eye on it.

City of Los Angeles Mail - trash cans

I realized that the NW corner of Yucca/Whitley is outside our boundaries, so unfortunately we don't handle trash collection on this stretch.
